

ASK YOURSELF THESE QUESTIONS BEFORE DEVELOPING YOUR PLAN OF STUDY

Can I handle taking four or five courses? Can I change my schedule to accommodate taking a 15 or 20 hour week field placement in addition to taking four or five courses?

If you answered YES, you are prepared to go into your field placement in the Fall 2008 semester.

If you are unable to accommodate this schedule, you may want to consider postponing your field placement until the fall semester of Fall 2009.
